

2008/9

- Haak, van den, M.J., Jong, de, M.D.T. & Schellens, P.J. (submitted). Sample sizes for usability testing – a comparison of methods and test objects.
- Haak, van den, M.J., Jong, de, M.D.T. & Schellens, P.J. (2009). Evaluating municipal websites: A methodological comparison of three think-aloud variants, *Government Information Quarterly*, 26 (1), 193-202.
- Haak, van den, M.J. (2008). A penny for your thoughts – investigating the validity and reliability of think-aloud protocols for usability testing (PhD dissertation).

2006/7

- Haak, van den, M.J., Jong, de, M.D.T. & Schellens, P.J. (2007). Evaluation of a Municipal Website : three variants of the think-aloud method compared, *Technical Communication*, 54(1), 58-71.
- Haak, van den, M.J., Jong, de, M.D.T. & Schellens, P.J. (2006). Hardopdenkprotocollen en gebruikersonderzoek: Volledigheid en reactiviteit van de synchrone hardopdenkmethode, *Tijdschrift voor Taalbeheersing*, 28 (3), 185-197.
- Haak, van den, M.J., Jong, de, M.D.T. & Schellens, P.J. (2006). Constructive interaction - An Analysis of Verbal Interaction in a Usability Setting, *IEEE Transactions on Professional Communication*, 49 (4), 311-324.

2004/5

- Haak, van den, M.J. & Jong, de, M.D.T. (2005). Analyzing the interaction between facilitator and participants in two variants of the think-aloud method, *2005 IEEE International Professional Communication Conference Proceedings*, 323-327.
- Haak, van den, M.J., (2004). Thinking Aloud: Interaction in a usability context, in *Words in their Places, a Festschrift for Lachlan Mackenzie*.
- Haak, van den, M.J., Jong, de, M.D.T. & Schellens, P.J. (2004). Employing think-aloud protocols and constructive interaction to test the usability of online library catalogues: A methodological comparison, *Interacting with Computers*, 16, 1153-1170.

2003

- Haak, van den, M.J. & Jong, de, M.D.T. (2003). Exploring two methods of usability testing: concurrent versus retrospective think-aloud protocols, *2003 IEEE International Professional Communication Conference Proceedings*.
- Haak, van den, M.J., Jong, de, M.D.T. & Schellens, P.J. (2003). Retrospective versus concurrent think-aloud protocols: Testing the usability of an online library catalogue, *Behaviour and Information Technology*, 22 (5), 339-351.
- Haak, van den, M.J., Jong, de, M.D.T, Schellens, P.J. (2003). Hardopdenkprotocollen als pretestmethode: Synchroon en retrospectief hardopdenken vergeleken, *Tijdschrift voor Taalbeheersing*, 25 (3).
